

## Environmental Policy

### 1. Purpose

- 1.1 2HHH FM Limited ('Triple H FM') aims to ensure that the operational and administrative aspects of its business do not cause undue harm to the environment. This will be achieved by taking all reasonable and practicable measures to prevent or minimise harm to the environment.
- 1.2 Triple H FM will strive to achieve a high standard of environmental care and responsibility.

### 2. Commencement of the Policy

This policy will commence from 18 June 2019. It replaces all other policies, if any, relating to access to social media platforms and social networking sites (whether written or not) and in particular the social media clauses in the 2019 operating agreement.

### 3. Application of Policy

- 3.1 This policy applies to employees, , presenters, members, volunteers and contractors (including temporary contractors) and 'workers' as otherwise defined under relevant OHS/WHS legislation of Triple H FM , collectively referred to in this Policy as 'workplace participants'.
- 3.2 This policy does not form part of a workplace participant's contract of employment. Nor does it form any part of any other workplace participant's contract for service.

### 4. Objectives

- 4.1 Triple H FM is committed to:
  - if necessary providing training to minimise adverse environmental impacts and issues;

*Created in consultation with The Community Broadcasting Association Australia*

- ensuring that and all workplace participants comply with applicable environmental legislation and regulations;
- considering environmental matters in all business planning and risk management;
- implementing procedures and checklists to verify and review 's environmental performance; and
- reducing, re-using and recycling waste products wherever practicable.

4.2 acknowledges that everyone associated with the organisation has an important role to play in achieving these environmental goals.

## 5. Duties

5.1 Triple H FM has a direct responsibility to ensure that environmental harm is not generated by any of its operations. In particular:

- must not to carry out an activity that may cause harm without taking measures to prevent or minimise the harm;
- must report incidents to the appropriate regulatory authority that result in or threaten serious or material environmental harm; and
- must taken action to prevent or minimise harm to the environment if an incident occurs.

5.2 Workplace participants have a duty of care to ensure that their working arrangements and functions do not cause environmental harm. If a workplace participant suspects that their actions in the workplace are causing or may cause environmental harm or the workplace participant has identified an area of improvement, the matter should be immediately reported to .

5.3 Each individual workplace participant and their respective work groups have a duty to work within acceptable environmental standards associated with their work outputs and functions.

## 6. Non-compliance

6.1 If a workplace participant fails to comply with the requirements set out in this policy, it will be regarded as a serious breach of conduct and may result in the termination of employment/services/contract. When a breach occurs, an investigation will be conducted to determine the appropriate action to be taken.

## 7. Variations

7.1 reserves the right to vary, replace or terminate this policy from time to time.
